Item description from the seller

The JBL 305P MKII Powered 5-Inch Two-Way Studio Monitor is a high-quality pair of wired studio monitors from JBL, known for their superior sound quality. With a 2-way configuration, these monitors are perfect for music production, mixing, and mastering. The JBL LSR305 model is designed to provide accurate and clear sound reproduction, making it an essential tool for any audio professional or music enthusiast looking to enhance their listening experience.
