## How to shop for Floor-standing Speakers

Also known as tower speakers, floor-standing speakers are just the ticket for large rooms and anyone who lives life out loud. Their large enclosures help tower speakers deliver more bass than their smaller bookshelf cousins.

For more detailed information, read our [home speaker buying guides](#).

### Popular questions customers ask

✓ Which speakers are best for different types of music?

✓ Do I need big floor-standing speakers?

✓ How many watts do I need for my speakers?

✓ Do I need different speakers for movies and music?
